

Meet Harry & Betty Plumadore

Harry's occupation is all about cars. In fact, Harry owns Auto Restorations. He works on old and new cars and has done upholstery for all of 54 years. He currently owns a 2007 Pewter Roadster Convertible. Additionally, Harry has owned over 30 Corvettes, 50's thru 80's. ALL CONVERTIBLES! Harry also owns a '64 Ford Convertible and a 1953 Mercury Convertible. Okay Harry, we get it---you like Convertibles!

Harry first became interested in Corvettes when he and his dad were looking at a used 1954 station wagon to buy. There was a 1956 red and white Corvette sitting next to it. It had to be a convertible, right?

Harry's hobbies include boating and cleaning his cars. He is originally from upstate New York and recently joined NTCC in 2011.
